PROFILE

With a passion for live music, I started working various jobs in the industry at an early age. I'm communicative and organised, eager to help wherever a hand is needed, multilingual, and always wearing a smile on my face. I'm a great addition to a functioning touring crew.

I have attended live music events globally and have experience with tour related activities such as booking accommodation, routing, transport, and itineraries, scouting restaurants fitting dietary requirements and organising sightseeing on a limited time. Travelling often with larger groups of people to multiple tour stops, I am aware of each individual's needs and fit these into the group's plans.
