Goldin's journey establishes her in the UK, South Africa and UAE with a fortress of fans. Performances touring London, Ibiza, Dubai and Asia have led to sharing stages with Ed Sheeran, Jessie J, Scouting For Girls and Barbara Tucker.

Her love of sharing music extends to book and album "Who Are You, Again?" detailing what it takes to be a successful and hungry artist sustaining a long career in the music industry, alongside a remix EP featuring four upcoming DJ Producers, achieving airplay for them.

The third album "Something I Used To Wear" pounds proudly from the start with singles; "Hope" playlisted on over 15 radio stations, her boy-girl crush titled "Three Days" debuted on BBC Introducing, 2022's release "Something I Used To Wear" reaching over 30K views and her latest release "Kept In A Locket" charting at No.1 on Heart 104.9 FM's SA Top 10. Recently released 12th May 2023, "Like That" featured on Dubai One TV, CapeTalk, Dubai Eye FM, Heart FM, Smile FM, Musivv and more.

Most of Goldin's career is spent outside her home country songwriting and touring in the UAE and UK. Her ambitious drive is celebrated by the industry; winning Best Band in Beijing, 'Best Theatrical Performance' by Time Out Dubai Nightlife Awards 2013 for theatre production "Kalubela", nominated as top ten finalist for Yasalam's UAE Emerging Talent Competition 2019, nominee for Best New Homegrown Artist 2022 in the UAE by Musivv, performing in MA Concert Global's ABBA, West End and Disco Pop Symphonic three-day Concert with Musical Director Steve Sidwell for Dubai Summer Surprises in 2021, EMCEE for the ICC T20 Men's World Cup 2021, stage performance for The Dubai Desert Classic 2022 + 2023 at Emirates Golf Club and performance for UEFA Champions League Final 2022 for Official Partner, FedEx, at Stade de France in Paris. Her efforts have led her to being awarded by Dubai Culture and Arts with the Honorable Golden Visa, in the UAE.

Career highlights are songwriting and production works with British hit songwriter Sarah deCourcy (Armin Van Buuren, Little Mix, Kylie Minogue, Example, PCD), Laurence Hobbs of Charter House Music (Pixie Lott, Zara, Penny Foster, Nottingham Music) Stoyan Stoyanov (EMAAR, Sheik's Public Address in UAE, Pasha Scripnic), Mark Stent (Wes Meyer, Basel Grey, Sketchy Bongo), Xenai and Chris Nicolaides (BBC, Chesney Hawkes, Mika).
