

CAROL GALVIS

AUDIO ENGINEER
PRODUCTION MANAGER
RADIOFREQUENCY COORDINATOR

PROFILE

Carol Galvis graduated as Audio Engineer and Musician at Pontificia Universidad Javeriana in Bogota – Colombia.

Her educational tools as a musician provide her a valuable advantage by mixing Musicals like “Peter Pan”, “Sugar”, “Chorus line”, “Tita”, among others; working closely with orchestra and singers.

For the last 10 years, she has expanded her knowledge of Radio Frequency, working as a radio frequency coordinator in different festivals, artists, and concerts, like: Primavera Sound, Cosquin Rock and Lollapalooza

Carol is president of a non-profit organization named “RF LATINO”, a Latin American professional group that works as Radiofrequency technicians.

She expands her knowledge in lighting, video, and mapping. For all these reasons, she works as a production manager of live entertainment in concerts and tours, such as Ricky Martin, Dante Gebel, Il Divo, among others
